

STUDENT WELLNESS - Pg. 2

<p>P.L. 108-265 Sec. 204</p> <p>4. Guidelines</p>	<p>The Superintendent shall report to the Board on the district's compliance with law and policies related to student wellness. The report may include:</p> <ol style="list-style-type: none">1. Assessment of school environment regarding student wellness issues.2. Evaluation of food services program.3. Review of all foods and beverages sold in schools for compliance with established nutrition guidelines. (Nutritional Standards for Competitive Foods in Pennsylvania Schools)4. Listing of activities and programs conducted to promote nutrition and physical activity.5. Recommendations for policy and/or program revisions.6. Suggestions for improvement in specific areas.7. Feedback received from district staff, students, parents/guardians, community members and Wellness Committee. <p>An assurance that district guidelines for reimbursable meals are not less restrictive than regulations and guidelines issued for schools in accordance with federal law shall be provided by the Director of School Nutrition Services and Business Administrator.</p> <p><u>Wellness Committee</u></p> <p>The Wellness Committee shall be comprised of at least one (1) of each of the following: School Board member, district administrator, district food service representative, student, parent/guardian, school nurse, school counselor, health and physical education teacher, coach, dietitian and health professional representative of a community organization.</p> <p>The Wellness Committee shall serve as an advisory committee regarding student health issues and shall be responsible for proposing amendments and Administrative Regulations that comply with law to recommend to the Board for adoption</p>
---	---

1. The Wellness Committee may examine related research and laws, assess student needs and the current school environment, review existing Board policies and administrative regulations, and raise awareness about student health issues. The Wellness Committee may make policy recommendations to the Board related to other health issues necessary to promote student wellness.
2. The Wellness Committee may survey parents/guardians and/or students; conduct community forums or focus groups; collaborate with appropriate community agencies and organizations; and engage in similar activities, within the budget established for these purposes.
3. The Wellness Committee shall provide periodic reports to the Superintendent or Superintendent's Designee regarding the status of its work, as required.

Nutrition Education

1. The goal of nutrition education is to teach, encourage and support healthy eating by students. Promoting student health and nutrition enhances readiness for learning and increases student achievement.
2. Nutrition education will be provided within the sequential, comprehensive health education program in accordance with State Board of Education curriculum regulations and the academic standards for Health, Safety and Physical Education, and Family and Consumer Sciences.
3. Nutrition education shall provide all students with the knowledge and skills needed to lead healthy lives.
4. Nutrition education lessons and activities shall be age-appropriate.
5. Nutrition curriculum shall be behavior focused.
6. School food service and nutrition education classes shall cooperate to create a learning laboratory.
7. Nutrition education shall be integrated into other subjects to complement but not replace academic standards based on nutrition education.

8. Lifelong lifestyle balance shall be reinforced by linking nutrition education and physical activity.

9. The staff responsible for providing nutrition education shall be properly trained and prepared and shall participate in appropriate professional development. Criteria shall be developed to measure "properly" and "appropriate."

10. District staff shall cooperate with agencies and community organizations to provide opportunities for appropriate student projects related to nutrition.

11. Consistent nutrition messages shall be disseminated throughout the district, schools, classrooms, cafeterias, before and after school programs, and homes.

Physical Activity

1. District schools shall strive to provide opportunities for developmentally appropriate physical activity during the school day for all students which includes at least thirty (30) minutes of age-appropriate physical activity on all school days. Extended periods of student inactivity shall be discouraged
2. Students shall be encouraged to participate daily in a variety of age-appropriate physical activities designed to achieve optimal health, wellness, fitness, and performance benefits.
3. Age-appropriate physical activity opportunities, such as recess; before and after school; during lunch; clubs; intramurals; and interscholastic athletics, shall be provided to meet the needs and interests of all students, in addition to planned physical education.
4. A physical and social environment that encourages safe and enjoyable activity for all students shall be maintained.
5. Physical activity breaks shall be provided for elementary students during classroom hours.

6. District schools shall partner with parents/guardians and community members to institute programs that support physical activity.
7. Physical activity shall not be used as a form of punishment.
8. Students and the community shall have access to physical activity facilities outside school hours.

Physical Education

1. Quality physical education instruction that promotes lifelong physical activity and provides instruction in the skills and knowledge necessary for lifelong participation shall be provided.
2. Physical education classes shall be the means through which all students learn, practice and are assessed on developmentally appropriate skills and knowledge necessary for lifelong, health-enhancing physical activity.

3. A comprehensive physical education course of study that focuses on providing students the skills, knowledge and confidence to participate in lifelong, health-enhancing physical activity shall be implemented.
4. A varied and comprehensive curriculum that leads to students becoming and remaining physically active for a lifetime shall be provided in the physical education program.
5. A sequential physical education program consistent with State Board of Education curriculum regulations and Health, Safety and Physical Education academic standards shall be developed and implemented.
6. Adequate amounts of planned instruction shall be provided in order for students to achieve the proficient level for the Health, Safety and Physical Education academic standards.
7. A local assessment system shall be implemented to track student progress on the Health, Safety and Physical Education academic standards.
8. Students shall be moderately to vigorously active as much time as possible during a physical education class. Documented medical conditions and disabilities shall be accommodated during class.
9. Safe and adequate equipment, facilities and resources shall be provided for physical education courses.
10. Physical education shall be taught by certified health and physical education teachers.
11. Appropriate professional development shall be provided for physical education staff.
12. Physical education classes shall have a teacher-student ratio comparable to those of other courses.

Other School Based Activities

1. District schools shall provide adequate space, as defined by the district, for eating and serving school meals.
2. Students shall be provided a clean and safe meal environment.
3. Students shall be provided adequate time to eat: ten (10) minutes sit down time for breakfast; twenty (20) minutes sit down time for lunch.

STUDENT WELLNESS - Pg. 7

4. Meal periods shall be scheduled at appropriate hours, as defined by the district.
5. Drinking water shall be available at all meal periods and throughout the school day.
6. Students shall have access to hand washing or sanitizing before meals and snacks.
7. Qualified nutrition professionals shall administer the school meals program.
8. Professional development shall be provided for district nutrition staff.
9. Access to the food service operation shall be limited to authorized staff.
10. Information regarding the nutrition content of school meals shall be available to students and parents/ guardians.
11. Students and parents/guardians may be involved in menu selections through various means.
12. To the extent possible, the district shall utilize available funding and outside programs to enhance student wellness.
13. Food shall not be used in the schools as a reward or punishment.
14. The district shall provide appropriate training to all staff on the components of the Student Wellness Policy, and the goals of the Student Wellness Policy shall be considered in planning all school based activities.

15. Fundraising projects submitted for approval shall be supportive of healthy eating and student wellness.
16. Administrators, teachers, food service personnel, students, parents/guardians, and community members shall be encouraged to serve as positive role models through district programs, communications and outreach efforts.
17. The district shall support the efforts of parents/guardians to provide a healthy diet and daily physical activity for children by communicating relevant information through various methods.

Nutrition Guidelines

All foods available in district schools during the school day shall be offered to students with consideration for promoting student health and wellness.

Foods provided through the National School Lunch or School Breakfast Programs shall comply with federal nutrition standards under the School Meals Initiative.

The District will strive to comply with established nutrition guidelines, identified in the District Administrative Regulations and the Nutritional Standards for Competitive Foods in Pennsylvania Schools, when making competitive foods available during the school day. "Competitive foods" are defined as foods offered at school other than through the National School Lunch or School Breakfast Programs and include but are not limited to the following:

1. **a la carte foods;**
2. **snacks and beverages;**
3. **vending food;**
4. **school store food;**
5. **fundraisers;**
6. **classroom parties;**
7. **holiday celebrations; and**
8. **food from home.**
